

Dixie Youth Coaches-

Congrats to you guys on the tournament wins. I really enjoyed watching the kids and was very impressed with how well you have taught baseball fundamentals. It is also obvious that you and the kids are having fun as well. You guys are going a GREAT job!

Also, seeing kids play took me back to when my boys were that age. You guys are also getting to experience something very special - the bonds between fathers and sons through baseball are deep and strong. Even now, every time I step out on the baseball field I think back to my Dad playing catch with me in the back yard , coaching me in Little League, and watching from the stands as I played and later coached. Your sons will always remember what you are experiencing with them now. Passing your love for baseball on to your sons is very special. No other sport has this kind of tradition from one generation to the next.

I am going out of town on vacation but will be keeping up with you on the web site and through Don's emails.

Thanks for all that you do. I am very proud of you.

Take care,

Jim
